AWARD

The Government of West Bengal, in Labour Department, by its order No. 1826-I.R., dated 21st April 1978, has referred an industrial dispute existing between Messrs. Non-Ferrous Metal Industries (P) Ltd., 42/1 Strand Road, Calcutta-700 007, and their workman Shri Phanindra Nath Das, 237, Bidhan Pally, P.O. Garia, district 24-Parganas, to this Tribunal under section 10 read with section 2A of the Industrial Disputes Act, 1947, for adjudication on the following issue:

Issue

Is the retrenchment of Shri Phanindra Nath Das justified? To what relief, if any, is he entitled?

On receipt of this Order of Reference, usual notices were served upon the parties and the parties in their turn duly enterd appearance and put in their respective written statements.

The case of the workman in a nutshell is that the Company is a very prosperous Engineering concern and it manufactures tin lead, antimony, gas welding rod, copper tape, brass tape, ingot and other allied materials and is an approved supplier of Government and Railways. It is alleged that the Company started its business in the year 1950, at Howrah and thereafter shifted the factory at Barasat in or about 1966. The workman concerned was appointed as a clerk at the Head Office of the Company at Calcutta and he had been performing his duties with efficiency, sincerity and honesty and that he had a clean and meritorious record of service. The workmen serving under the Company, it is alleged, had formed the Union for collective bargaining and for improving their service conditions and that the same incurred displeasure of the Company. As a result, it is alleged, the Company had started threatening for victimisation against the workmen and that the Union brought the same to the notice of the Labour Commissioner. The further case of the workman concerned is that he was suddenly issued a notice of retrenchment, dated 31st January 1977, which was served upon him on 12th February 1977, at the close of the office hours terminating the services with effect from 14th February 1977. It is alleged that the workman concerned was not paid the notice pay or retrenchment compensation under section 25F of the Industrial Disputes Act and that the action taken by the Company against the workman concerned is absolutely illegal, unjustified and in clear violation of the provisions of the Industrial Disputes Act It has also been pleaded that the Company did not at all care to follow the principle of "last come first go" in cases of retrenchment and allowed some employees who were junior to the workman concerned to be retained in service. The workman concerned raised voice of protest against the illegal action taken by the Company against him and requested the Company to withdraw the retrenchment notice, but to no effect. The workman concerned thereafter found no other alternative than to refer the dispute to the Labour Commissioner. Conciliation meetings were held to effect a settlement but no fruitful purpose was served thereby. Accordingly, the Government has been pleased to refer the aforesaid issue to this Tribunal for adjudication. The workman concerned has prayed for granting him the relief in the form of reinstating him in service with full back wages and other necessary reliefs as may be deemed fit and proper

The case of the Company is that the Company had employed about 120 workers and staff personnel at its Barasat Factory and Head Office, but the Company suffered heavy losses and as such it was decided by the Company to close down the Factory at Barasat with effect from 5th January 1977 As a result, the services of all the workmen were dispensed with. The workman concerned who was employed as a clerk at the Purchase Department of the Head Office of the Company was, therefore, considered surplus on the closure of the Barasat Factory and as such his services were terminated with effect from 14th February 1977. It has been pleaded that the workman concerned was duly offered one months wages as notice pay, retrenchment compensation and other benefits in accordance with the provisions of the Industrial Disputes Act, but he refused to accept the same. It is also contended that the workman concerned was thereafter asked to collect his dues from the Head Office of the Company but he did neither receive the same nor did he report himself to the Head Office for receiving the same. The sole case of the Company is that the termination of service of Shri Phanindra Nath Das by way of retrenchment was on account of closing down of Barasat Factory and the action taken by the Company is bona fide, legal and justified. Be it noted here that the Company has taken up certain preliminary objections as regards the maintainability of the Order of Reference on the ground that the workman concerned had no cause of action since the Company closed its establishment at Barasat permanently on and from 5th January 1977, and that the workman concerned did never raise any dispute over the question of retrenchment with the Company before the matter was referred to this Tribunal for adjudication by the Government of West Bengal. Certain allegations as made by the workman concerned in his written statement have been denied by the Company On such a case, the Company submits that the workman is not entitled to any relief whatsoever.

The workman concerned in order to substantiate his case has examined himself. The letter of the Company, dated 31st January 1977, terminating the services of the workman concerned as well as his letters to the management of the Company and the Assistant Labour Commissioner, Government of West Bengal, raising dispute with regard to the order of termination have been marked exhibits for the workman concerned. The workman concerned has also got a certificate marked in his favour as Ext. 4 It appears that the same was issued by the Director of the Company about the efficiency and integrity of the workman concerned. It appears therefore, that the workman concerned had served under the Company for about 16 years and during his service tenure he had discharged his duties with hard labour and honesty. Shri Das as P.W 1, has stated in his evidence that he was suddenly served with a letter terminating him from services with effect from 14th February 1977, in violation of the mandatory provisions of law. He has also stated that some employees namely K. P. Verma, Jagabandhu Chakraborty and others who were junior to him were allowed to serve under the Company when he was retrenched illegally from services. In cross examination he has categorically stated that he was not offered notice pay or compensation by the Company although the same was stated in the letter, marked Ext. 1. He has prayed for getting an order for reinstatement in service with full back wages on two grounds namely "last come first go" principle was not followed in his case and the mandatory provisions of section 25F of the Industrial Disputes Act, were not followed.

The Company has examined Shri Krishna Chowdhury, who happens to be the Director of the Company. He has tried to make out a case that the factory at Barasat was closed and as such the services of Shri Das were not at all required. Financial condition of the Company was also very much stringent. In cross-examination Shri Chowdhury has stated that the workman concerned was

directed to collect his dues, i.e., one month's wages in lieu of notice and retrenchment compensation from the Cashier. It also appears in his evidence that the Cashier prepared a voucher for making payment of notice pay and retrenchment compensation to the workman concerned but the said document has not been submitted. He has, however, denied the suggestion that the principle of "last come first go" was not followed in the case of Shri Das when he was retrenched from services. Some documents have been marked exhibits for the Company.

FINDINGS

Admittedly, Shri Das was an employee serving under the Company and it appears from Ext 4, that the Director of the Company was pleased to recognise his efficiency and honesty during his service career for a continuous period of 16 years. Further admitted position is that the Factory at Barasat was under lock-out at the time when the order of termination was issued against the workman concerned and that it was subsequently closed down It is the settled position of law that it is within the managerial discretion of an employer to decide as to whether the services of certain employees or an employee would be required or not and as such it has got the right to retrench a person from services, but the same must be done in accordance with the provisions of law. When a dispute arises before an Industrial Tribunal in regard to the validity of any retrenchment it would be necessary for industrial adjudication to consider whether the impugned retrenchment was justified for proper reasons. The Industrial Tribunal is also to see as to whether the mandatory requirements as provided in section 25F of the Industrial Disputes Act. were duly complied with by the management before an employee was retrenched from his services. From the facts and circumstances as well as from evidences on record it appears that the management had to close down their Factory at Barasat as it suffered pecuniary loss. It may also be true that under the circumstances appearing at the relevant period of time the services of certain persons working under the Company might have been considered unnecessary. But even then, the management, to take any action in this regard, is under obligation to comply with the conditions as provided in section 25F. Moreover, the management is to follow "last come first go" principle while retrenching some of its employees. In the instant case it is also an admitted fact that the workman was not paid the notice pay and the retrnchment compensation as provided under the law. On this point I find two versions—contradictory to each other from two sides. The notice terminating the service of Shri P. N. Das, goes to suggest that Shri Das was directed by the Management to collect his dues, i.e., one month's wages in lieu of notice and retrenchment compensation, as per provision of the Industrial Disputes Act, 1947, and that Shri Das did not received such payment from the office. This is the version of the Company. The second version is that the action of the management was in violation of the provisions of law as he was not paid one month's wages in lieu of notice and retrenchment compensation and that the "last come first go" principle was not followed. I am to examine from the evidences on record as to which of the two versions is true. Law requires that such compensation and one month's wages in lieu of notice are required to be paid simultaneously with the passage of the order terminating an employee from his services In order to prove its bona fide the Company has taken up a stand that the Cashier prepared a voucher for making payment of notice pay and retrenchment compensation to the workman concerned but the workman concerned did not receive payment. But unfortunately, for the Company, no such document has been submitted before me. The Cashier has not been examined by and on behalf of the Company. Non-examination of the Cashier and non-production of the relevant documents go to suggest that the contention of the management in this regard is not bona fide and as such I refuse to accept the same. The entire onus was upon the Company to prove that the workman concerned was paid in accordance with the provisions of law. It is an admitted case that he was retrenched from his services. The second point that requires consideration is as to whether the "last come first go" principle was followed in case of Shri Das while he was retrenched from his services. The workman concerned in his evidence has categorically stated that Shri K. P. Verma and Shri Chakraborty were junior to him. It has been suggested that those two employees were allowed to serve under the Company when Shri Das was retrenched from service The Company in order to refute the claim of the workman concerned could have produced the relevant documents. Here also, the Company has practically did not take any care to produce the relevant documents. Under the circumstances I find no hesitation in my mind to hold that the contention as made by the workman in this regard is true.

So on careful consideration of evidence on record it appears to me that the Company has miserably failed to prove before this Tribunal, that the order of retrenchment was made against Shri Das in accordance with the provisions of law. Consequently, the order of termination passed against Shri Das by virtue of its letter, dated 31st January 1977, with effect from 14th February 1977 (vide Ext. 1), cannot legally stand. It is, therefore, declared to be absolutely unjustified.

As a result, Shri Das should be deemed to be in service. It is, therefore, ordered that the retrenchment of Shri P. N. Das is not at all justified and he is entitled to be reinstated in service with full back wages. The Company is hereby directed to comply with this order within one month from this date.

GOVERNMENT OF WEST BENGAL

Legislative Department

NOTIFICATION

No. 1902-L.—11th August, 1982.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information;—

BILL NO. 7 OF 1982

THE WEST BENGAL KHADI AND VILLAGE INDUSTRIES BOARD (AMENDMENT) BILL, 1982.

A

BILL

to amend the West Bengal Khadi and Village Industries Board Ac., 1959.

WHEREAS it is expedient to amend the West Bengal *Khadi* and Village Industries Board Ac., 1959, for the purpose and in the manner hereinafter appearing; West Ben. Act XIV of 1959.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the West Bengal Khadi and Village Industries Board (Amendment) Act, 1982.

Amendment of section 9 of West Ben. Act XIV of 1959. 2. In section 9 of the West Bengal *Khadi* and Village Industries Board Act, 1959, for the proviso to sub-section (2), the following proviso shall be substituted:—

"Provided that—

(a) no post of officer or servant shall be created, and

(b) no post carrying a scale of pay, the maximum of which exceeds rupees seven hundred, shall be filled up,

except with the previous approval of the State Government.".

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Khadi and Village Industries Board came into being under the West Bengal Khadi and Village Industries Board Act, 1959, with effect from the 1st April, 1960. The primary functions of the Board are to organise, develop and regulate Khadi and Village Industries in the State. Financial assistance is provided mostly by the Khadi and Village Industries Commission in the shape of loans and grants to the Board for disbursement to registered institutions, co-operative societies, Corporations and individuals engaged in Khadi and village industries. The State Government meets the establishment cost of the Board by way of grants-in-aid.

Under Regulation 5 of the West Bengal Khadi and Village Industries Board Regulations, 1961, the Board is empowered to create posts by passing resolutions. Section 9(2) of the West Bengal Khadi and Village Industries Board Act, 1959, however lays down that appointment to posts with honorarium or maximum salary beyond Rs. 300 per month is to be made with the previous approval of the State Government. It has been observed that on some occasions the Board created posts rather liberally under Regulation 5. It has also been observed that on some occasions the Board gave appointment to some posts beyond the Board's power without the State Government's prior approval. This continued in spite of specific directions to the contrary being given to the Board by the State Government. Creation of posts not always on a rational basis and filling up of the same without prior approval of the State Government have created various complications, and such actions tend to increase the financial liability of the State Government in providing funds towards the cost of establishment.

The proposed amendment seeks to take away the Board's power to create posts without prior approval of the State Government but to confer, at the same time, on the Board the power to make appointment, either by direct recruitment or by promotion, to posts carrying a scale of pay with a maximum upto Rs. 700 per month.

BEFORE THE SIXTH INDUSTRIAL TRIBUNAL, WEST BENGAL ...
AT JALPAIGURI

Present':

Shri S. P. BAGCHI, W.B.H.J.S., Judge, Sixth Industrial Tribunal.

Present':

For the Association: Shri Biren Bose, Advocate, Dooars, Branch of Indian Tea Association, P.O. Binnaguri, District Jalpaiguri

Present':

For the workman: Shri Chandra Sekhar Chowdhury, Mainampara, District Jalpaiguri.

AWARD

The Government of West Bengal, Labour Department, by its order No. 153-I.R., dated 12th January 1979, referred under section 10 read with section 2A of the Industrial Disputes Act, 1947 (XIV of 1947), to this Tribunal an industrial dispute relating to the undermentioned issue existing between Messrs. Dooars Branch of Indian Tea Association, P.O. Binnaguri, District Jalpaiguri, West Bengal and their workman Shri Chandra Sekhar Chowdhury, Mainampara, P.O. Mainaguri, District Jalpaiguri, West Bengal for adjudication.

Issue:

Whether termination of the services of Shri Chandra Sekhar Chowdhury, is justified? To what relief, if any, is the workman entitled?

Usual notices were issued to the parties. Pursuant to the notices the parties appeared and filed there written statements, in due course. Then began a tussle between the parties over the representation of the Tea Association by a legal practitioner and side by side with it proceeded the talks for settlement of the dispute and ultimately 27th February 1981, came to be fixed for filing the petition of compromise or for orders. On 27th February 1981, the came to be fixed for filing the petition of compromise or for orders. On 27th February 1981, the parties filed a joint petition embodying therein the terms of settlement and praying for an award in

terms of the said settlement. And the parties were heard in the matter. I have looked into the terms of settlement as embodied in the petition of compromise and I don't think there is any conceivable reason not to go by and act upon the said petition. In my judgment the terms as embodied in the said petition of compromise are lawful, reasonable and fair and I accordingly direct that they be recorded and pass a no dispute award in terms of the joint petition of compromise which shall form a part of the award. This disposes of the instant reference.

AWARD

The above industrial dispute between the aforesaid parties has been referred by the Labour Department, Government of West Bengal, by its G.O. No. 2164-I.R./IR/10L-11(G)/77, dated the 3rd April, 1980 to this Tribunal for adjudication on the following issue :

Issue

Whether Shri Kalipada Dey is entitled to be posted as a Second Class Driller in the Machine Shop or in any other Department with benefits of continuity of service and compensation of monetary losses ? What relief, if any, is he entitled to ?

After receipt of the reference from the Labour Department, Government of West Bengal, usual notices were served upon the parties for

appearance. Thereafter the parties appeared and filed their respective written statements and the case ultimately was fixed on 18th February 1981, for hearing. Thereafter, after several adjournments taken by both the parties for hearing, a compromised settlement over the dispute between the parties has been filed by a petition signed by by both the parties praying for passing a "no-dispute" award in this case. I have perused the terms and conditions of the settlement and found the same just and reasonable. I, therefore, pass a 'no-dispute' award in this case in terms of the petition of settlement as Annexure 'A' which do form a part of the award.

This is my award.

Subsequently, however, Shri Dey started requesting the Management for grant of continuity of service and also for his transfer. Subsequently the mattar was conciliated upon by the Asstt. At this stage and in view of the cordial relations existing between the Management of IISCO Ltd. and the representing Union (IISCO Mazdoor Union), Kulti the Management and the Union initiated fresh efforts to settle the dispute mutually. After several rounds of discussion finally on 19th August 1981, an agreement was reached and a joint petition filed before the Hon'ble Tribunal to the effect that a formal joint petition settling the mutual terms of bipartite settlement could be filed in due course. These are as follows.

A BILL

to amend the West Bengal Requisitioned Land (Continuance of Powers) Act, 1951.

WHEREAS it is expedient to amend the West Bengal Requisitioned Land (Continuance of Powers) Act, 1951, for the purposes and in the manner hereinafter appearing; West Ben. Act VIII of 1951.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal Requisitioned Land (Continuance of Powers) (Amendment) Act, 1982.

(2) It shall be deemed to have come into force on the 31st day of March, 1982.

Amendment of section 1 of West Ben. Act VIII of 1951.

2. In sub-section (*3*) of section 1 of the West Bengal Requisitioned Land (Continuance of Powers) Act, 1951 (hereinafter referred to as the principal Act), for the words "thirty-one years", the words "thirty-two years" shall be substituted.

Amendment of section 6.

3. In sub-section (*4*) of section 6 of the principal Act, for the words "six years", the words "seven years" shall be substituted.

The West Bengal Requisitioned Land (Continuance of Powers) (Amendment) Bill, 1982.

(Clause 4.)

Repeal and savings.

4. (1) The West Bengal Requisitioned Land (Continuance of Powers) (Amendment) Second Ordinance, 1982 is hereby repealed. West Ben Ord. XV of 1982.

(2) Notwithstanding such repeal, anything done or deemed to have been done or any action taken or deemed to have been taken under the principal Act as amended by the West Bengal Requisitioned Land (Continuance of Powers) (Amendment) Second Ordinance, 1982 shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

The life of the West Bengal Requisitioned Land (Continuance of Powers) Act, 1951 (West Bengal Act VIII of 1951) was due to expire on the 31st March, 1982. As a good number of properties were subject to continued requisition under the Act and as it had not been possible either to release the properties from requisition or to acquire them permanently, it became necessary to keep the Act alive for a further period of one year upto the 31st March, 1983.

2. The revision of recurring rent compensation at the current rate of rent payable under the Act from the 1st April, 1982 had also been proposed to be deferred for a period of one year upto the 31st March, 1983.

3. With these objects in view, the Governor had been pleased to promulgate the West Bengal Requisitioned Land (Continuance of Powers) (Amendment) Second Ordinance, 1982.

4. The Bill seeks to enact the provisions of the said Ordinance.

CALCUTTA, BENOY KRISHNA CHOWDHURY,

The 25th August, 1982. *Member-in-charge.*

FINANCIAL MEMORANDUM.

The Bill seeks to extend the life of the West Bengal Requisitioned Land (Continuance of Powers) Act, 1951 for a further period of one year and thus to permit retention of the properties requisitioned under the Act upto the 31st March, 1983.

2. Sub-section (4) of section 6 of the Act, which was introduced by an amendment in 1976, provides for revision of the rate of rent compensation of the requisitioned properties as per current market rate with effect from 1st April, 1977. The date of revision of rent was postponed upto the 31st March, 1982. Clause 3 of the Bill seeks to defer the date for a further period of one year till the 31st March, 1983.

3. It is not possible to estimate correctly the expenditure that is likely to be incurred for extension of the life of the Act because this will depend upon the number of properties to be retained under requisition, released from requisition and acquired permanently during this period. The expenditure that the State Government may have to incur on account of payment of recurring rent compensation will not involve any additional liability on the State Exchequer.

STATEMENT OF OBJECTS AND REASONS

The Bidhan Chandra Krishi Viswavidyalaya (Amendment) Act, 1981 was passed by the Legislative Assembly in October, 1981. Subsequently, some lacunae were observed in certain provisions of this amended Act, which called for immediate rectification by amending the relevant provisions of the previous Act, viz., Section 10, Section 11 and Section 52 of the Bidhan Chandra Krishi Viswavidyalaya Act, 1974, for proper functioning of the Viswavidyalaya.

Under the previous provision of the Bidhan Chandra Krishi Viswavidyalaya Act, all properties of the Bengal Veterinary College stood transferred to Bidhan Chandra Krishi Viswavidyalaya. But subsequently the Government decided that Bengal Veterinary College campus could be better utilised by the Animal Husbandry & Veterinary Services Department than the Bidhan Chandra Krishi Viswavidyalaya. This will also help the Viswavidyalaya to centralise its teaching and research activities in its main campus at Mohanpur. Section 41 of the Bidhan Chandra Krishi Viswavidyalaya Act has, therefore, been amended.

An immediate action was called for. The Bidhan Chandra Krishi Viswavidyalaya (Amendment) Ordinance, 1982 was promulgated on 2nd August, 1982 and published in the Official Gazette on 5th August, 1982. The proposed Bill seeks to replace the Ordinance.

STATEMENT OF OBJECTS AND REASONS.

Under the provisions of the West Bengal *Panchayat* Act, 1973, the term of office of the members of the Panchayat bodies, i.e., Gram Panchayats, Panchayat Samitis and Zilla Parishads is four years from the date of the first meeting at which a quorum is present. The Panchayat bodies started functioning on different dates and many of them completed their term of four year's around the 5th August, 1982. It was not possible to hold the Panchayat elections due to a variety of reasons. The main reason is that under the provisions of the Act, Assembly Electoral Rolls are to be used for election to Panchayat bodies. Previously such Rolls used to give a clear indication of Gram Panchayat Constituencies and so there was no difficulty in using the Assembly Electoral Rolls for Panchayat Elections. But now the Assembly Electroal Rolls are prepared on the basis of polling stations without reference to Gram Panchayat Constituencies. It would, therefore, not be possible to use the revised Assembly Electoral Rolls for the Panchayat Elections unless the same are re-arranged according to Gram Panchayat Constituencies after house to house visit, which is a time consuming affair. Moreover, the General Elections to the Legislative Assembly intervened on 19th May, 1982, for which the preparatory work for the Panchayat Elections could not be taken up. It was, therefore, decided to extend the term of office of the member of all the three tiers of Panchayat bodies from four years to five years. Amendments to the West Bengal *Panchayat* Act, 1973, have been proposed in the Bill accordingly.

GOVERNMENT OF WEST BENGAL

LEGISLATIVE DEPARTMENT

NOTIFICATION

No. 2693L.—14th September, 1982.—The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publicatiton of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information :—

Bill No. 14 of 1982

THE WEST BENGAL MOTOR VEHICLES TAX (AMENDMENT) BILL, 1982.

A

BILL

to amend the West Bengal Motor Vehicles Tax Act, 1979.

WHEREAS it is expedient to amend the West Bengal Motor Vehicles Tax Act, 1979, for the purpose and in the manner hereinafter appearing; West Ben. Act IX of 1979.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows :—

Short title and commencement.

1. (*1*) This Act may be called the West Bengal Motor Vehicles Tax (Amendment) Act, 1982.

(2) It shall come into force on such date as the State Government may, by notification in the *Official Gazette*, appoint.

The West Bengal Motor Vehicles Tax (Amendment) Bill, 1982.

(Clause 2.)

2. In the West Bengal Motor Vehicles Tax Act, 1979, after section 5, the following section shall be inserted:—

West Ben. Act IX of 1979.

"Special provision regarding contract carriage.

5A. (*1*) Every person who is liable to pay under this Act tax in respect of a contract carriage plying on a specified route shall, at the time of paying the tax to the Taxing Officer, furnish a 'no objection certificate' from the person with whom the registered owner of the contract carriage has entered into a hire-purchase agreement (such person being hereafter in this section referred to as the financier).

(*2*) The provisions of sub-sections (*5A*) to (*5D*) of section 31A of the Motor Vehicles Act, 1939 shall apply, *mutatis mutandis*, to every 'no objection certificate' from the financier.". 4 of 1939.

STATEMENT OF OBJECTS AND REASONS.

In order to make a provision for realisation of instalments towards payment of dues to the Banks who have financed the purchase of vehicles, specially mini-buses which are covered by a permit authorising the vehicles to ply as contract carriages on specified routes, the State Level Bankers' Committee has suggested to the Government for suitable amendment of the West Bengal Motor Vehicles Tax Act, 1979. It is alleged by the Committee that mini-bus operators are the worst defaulters in this respect and it is becoming exteremely difficult for the banks to finance purchase of new mini-buses. As a result, the law-abiding prospective operators and the applicants covered under Additional Employment programme are also suffering much for want of timely sanction of fund from the banks.

As mini-bus services have become an important mode of passenger transport in the city and its suburbs as well as other parts of the State, it is felt that, in the larger interest of the travelling public, the State Government should offer a helping hand to the financing Banks so that the credit flow somewhat cases and with this object in view State Government have decided that a provision for "no objection" certificate from the Bankers or financers by the operators of mini-buses (contract carriages) only at the time of payment of tax to the Taxing Officers be made by a suitable amendment of the West Bengal Motor Vehicles Tax Act, 1979. The proposed amendment is almost analogous to provisions contained in sub-sections (5A) to (5D) of section 31A of the Motor Vehicles Act, 1939 where production of "no objection" certificate at the time of renewal of permit is obligatory.

The State Government have, therefore, decided that the following section shall be inserted in the West Bengal Motor Vehicles Tax Act, 1979 :-

"5A, (1) Every person who is liable to pay under this Act, tax in respect of a contract carriage plying on a specified route shall, at the time of paying the tax to the Taxing Officer, furnish a no objection certificate" from the person with whom the registered owner of the contract carriage has entered into a hire-purchase agreement (such person being hereafter in this section referred to as the financer).

(2) The provisions of sub-sections (5A) to (5D) of section 31A of the Motor Vehicles Act, 1939 shall apply, *mutatis mutandis*, to every no objection certificate from the financier.".

Bill No. 15 of 1982

THE WEST BENGAL SCHEDULED CASTES AND SCHEDULED TRIBES (RESERVATION OF VACANCIES IN SERVICES AND POSTS) (AMENDMENT) BILL, 1982.

A

BILL

to amend the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976.

WHEREAS it is expedient to amend the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976, for the purpose and in the manner hereinafter appearing; West Ben. Act XXVII of 1976.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. 1. This Act may be called the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) (Amendment) Act, 1982.

The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) (Amendment) Bill, 1982.

(Clauses 2, 3.)

Amendment of section 5 of West Ben. Act XXVII of 976.

2. In section 5 of the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976 (hereinafter referred to as the principal Act), for clause (*b*), the following clause shall be substituted and shall be deemed to have been so substituted with effect from the 1st day of April, 1981:—

"(*b*) there shall be no reservation in any post in a scale of pay, the maximum of which exceeds Rs. 2375;".

Repeal and saving.

3. (*1*) The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) (Amendment) Third Ordinance, 1982 is hereby repealed. West Ben. Ord. XIV of 1982.

(*2*) Notwithstanding such repeal, anything done or deemed to have been done or any action taken or deemed to have been taken under the principal Act as amended by the West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) (Amendment) Third Ordinance, 1982 shall be deemed to have been validly done or taken under the principal Act as amended by this Act as if this Act were in force on the day on which such thing was done or deemed to have been done or such action was taken or deemed to have been taken.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Scheduled Castes and Scheduled Tribes (Reservation of Vacancies in Services and Posts) Act, 1976 (West Ben. Act XXVII of 1976) came into force on the 15th August, 1976. The Act provides for reservation of fifteen *per cent.* of vacancies for candidates belonging to Scheduled Castes and five *per cent.* of vacancies for candidates belonging to Scheduled Tribes in services and posts under the State Government and in such other establishments as mentioned in clause (*b*) of section 2 of the Act to be filled up by direct recruitment as well as by promotion.

Reservation in promotion is guided broadly by the provisions contained in section 5 of the Act. In clause (*b*) of section 5, it has been prescribed that "there shall be no reservation to any post of which the pay is in a scale the maximum of which is Rs. 2000/- or more". Consequent upon the pay revision in 1981 as per the West Bengal Services (Revision of Pay and Allowance) Rules, 1981 the pay-scales of a number of posts, the maximum of which was so long below Rs. 2000/-, have since gone upwards beyond the ceiling prescribed for the purpose of reservation in promotion, as a result of which the posts where reservation had so long been applicable in case of appointment by promotion, are no more within the purview of reservation.

The Scheduled Castes and Scheduled Tribes together constituting more than twenty five *per cent.* of the total population of West Bengal are now actually represented in only fourteen *per cent.* of the posts under the State Government. They are not, therefore, adequately represented in services. The existing benefit of reservation in services should, therefore, be protected till sufficient representation in services is attained.

In order to protect the scope and extent of the existing benefit of reservation in promotion, it is proposed that the uppermost pay-ceiling as prescribed in clause (*b*) of section 5 of the Act be enhanced commensurably with the enhancement of the pay scales as per the West Bengal Services (Revision of Pay and Allowance) Rules, 1981 by an amendment of the said clause.

The Bill has been framed accordingly with the above object in view.

The Upendra Nath Mukherjee Memorial Hospital at 24, Sura 3rd Lane, Beliaghata, Calcutta, is a General Hospital with 57 indoor beds. There is also arrangement for outdoor service.

2. The Hospital has been functioning under the auspices of the Medical Aids Society of Bengal, a society registered under the Societies Registration Act, 1860. Under the rules and regulations of the Society, the funds and properties, movable and immovable, are vested in the Trustees. The State Government has been paying regular financial assistance for meeting the running expenses of the Institution.

3. For a long time the authorities of the Hospital have been finding it difficult to run the Hospital properly and requesting the Government to take it over. There has also been public demand for taking over of the Institution by Government. Sometime ago a crisis occurred in the management of the Hospital owing to resignation tendered by the Honorary Secretary of the Institution.

4. The Hospital is situated in a thickly populated area in the eastern part of the city. If properly maintained and developed, the Hospital can give extended medical coverage to the ailing people.

5. For better management and maintenance in public interest, it was decided to take over the Upendra Nath Mukherjee Memorial Hospital, Beliaghata, with all its assets for being run as State Institution. The Upendra Nath Mukherjee Memorial Hospital Acquisition Ordinance, 1982 was promulgated accordingly on the 27th August, 1982. The Upendra Nath Mukherjee Memorial Hospital Acquisition Bill, 1982, has been prepared to replace the said Ordinance.

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Public Libraries Act, 1979 (West Bengal Act XXXIX of 1979) was enacted in 1979 for the establishment of public libraries in this State for effective control over the management of libraries and for their healthly growth in an organised and systematic manner and for grant of recognition to the existing libraries as also to provide for a comprehensive rural and urban library service in this State. But some practical difficulties arose in the implementation of the provisions of the said Act. As such the said Act was required to be amended. Accordingly, as the Assembly was not in session, the West Bengal Public Libraries (Amendment) Ordinance, 1982, making certain amendments to the said Act, was promulgated on the 5th April, 1982.

As the continuance of the provisions of the said Ordinance seemed necessary and as no Bill replacing the said Ordinance could be introduced in the Assembly during the short session of the Assembly that intervened in the meantime, the West Bengal Public Libraries (Amendment) Second Ordinance, 1982 was promulgated on the 22nd July, 1982.

The Bill seeks to continue the same provisions of the West Bengal Public Libraries (Amendment) Second Ordinance, 1982.

STATEMENT OF OBJECTS AND REASONS.

The Mayo Hospital at 67/1, Strand Road, Calcutta is a General Hospital with 185 indoor beds and arrangement for outdoor service. It has two attached outdoor dispensaries—one at Chitpur and another at Chandney Chowk. This is one of the oldest institutions in the city rendering useful service in the Central Calcutta area.

2. The institution had been functioning under the auspices of a Society registered under the Societies Registration Act and was managed by a Board of Governors with financial assistance extended by the State Government from time to time.

3. Due to financial constraints in the face of sharp rise in the cost of maintenance as well as some other problems the Hospital authority had been in difficulty to run the institution smoothly and efficiently.

4. Ultimately in a meeting held on the 12th March, 1980 the Board of Governors of the Mayo Hospital adopted unanimous resolution requesting the State Government to appoint an Administrator to take charge of the institution with full financial and administrative powers pending nationalisation of the Hospital. The matter was carefully considered by Government and an Administrator was appointed at the institution on and from the 24th March, 1980. Since then the institution has been functioning under the management and control of the Government Administrator.

5. The Hospital is situated in a thickly populated area where there is no State Hospital. The institution has all the potentialities of being developed into a first class General Hospital with 200 indoor beds. The Hospital with two attached dispensaries, if properly maintained and developed, can give extended medical coverage to the people.

6. For better management and maintenance in public interest, it was decided to take over the Mayo Hospital together with the two attached dispensaries with all their assets for being run as State institution. The Mayo Hospital Acquisition Ordinance, 1982 was promulgated accordingly on the 27th August, 1982. The Mayo Hospital Acquisition Bill, 1982 has been prepared to replace the said Ordinance.

FINANCIAL MEMORANDUM.

Attention is invited to clauses 3 and 4 of the Mayo Hospital Acquisition Bill, 1982. The Hospital proper has 185 indoor beds and arrangements of out-door service. Besides, there are two dispensaries at Chitpur and Chandney attached to the Institution. After take over the Hospital is proposed to be run as a 200-bedded General Hospital with out-patient departments. The two dispensaries will be run as out door dispensary on the State Government pattern.

The scheme involves a non-recurring expenditure of Rs. 4,91,000 towards meeting existing deficiencies and effecting immediate and essential improvements and a recurring expenditure of Rs. 25,40,000 *per annum* on account of salaries of Medical Officers and other staff and charges for diet, medicines, contingencies etc.

Besides the above, clause 5 of the Bill provides for payment of compensation for the properties, to be determined by the Competent Authority, subject to deduction of all grants and donations made by the State Government to the Mayo Hospital Society prior to the appointed day.

(*2*) Notwithstanding such repeal, anything done or any action taken under the principal Act as amended by the West Bengal Board of Secondary Education (Amendment) Ordinance, 1982 shall be deemed to have been validly done or taken under the principal Act as amended by this Act.

STATEMENT OF OBJECTS AND REASONS.

Under sub-clause (b) of clause (14) of section 4 of the West Bengal Board of Secondary Education Act, 1963, thirty-two whole-time and permanent members of the teaching staff of recognised Secondary Schools are to be elected to the Board in accordance with the rules framed by State Government in this behalf. Pending framing of rules the State Government appointed thirty-two teacher-members of Secondary Schools for a period of two years as provided in sub-section (3) and sub-section (4) of section 52 of the said Act. There is no provision in the Act for extending the term of office of the members or for appointing a fresh batch of members to the Board. The State Government framed rules for the purpose of election of such teacher-members to the Board but the rules were challenged in the Hon'ble Calcutta High Court. The Hon'ble Calcutta High Court issued an injunction restraining the Government from holding the election. Meanwhile, the term of office of such members expired. In order to remove the apparent deadlock in the functioning of the Board an amendment of section 52 of the Act was felt an immediate necessity.

The President of the West Bengal Council of Higher Secondary Education has not been included in the Examination Committee and the Syllabus Committee of the Board constituted under section 19A and section 20 of the West Bengal Board of Secondary Education Act, 1963, respectively. It has been felt necessary that the President of the Council should also be included in the above two committees.

Under clause (c) of sub-section (2) of section 27 of the Act, the Board has been empowered to make regulations for the syllabus and the courses of studies to be followed and books to be studied in the recognised institutions and for examinations instituted by the Board. Again in clause (g) of sub-section (3) of section 19A the Executive Committee has also been empowered to make by-laws for the syllabi, courses of studies etc. In order to remove such dual control in the matter of framing regulations or by-laws, clause (g) of sub-section (3) of section 19A has to be amended so that the power of making regulations in this respect may rest on the Board only.

There is no provision for paying any remuneration to a member of the West Bengal Judicial Service to be nominated by the State Government under clause (b) of sub-section (1) of section 22 of the Act. A sub-section has therefore been proposed to be added to section 22 of the Act for providing remuneration or honorarium to the said member.

There are certain anomalies in some sections, viz., sections 25, 26 and 27 which are required to be removed immediately. A few sections are also to be given retrospective effect for the smooth functioning of the Board.

As the amendments mentioned above were urgent in nature and as the Assembly was not then in session, the amendments were effected by promulgation of an Ordinance, viz., the West Bengal Board of Secondary Education (Amendment) Ordinance, 1982.

The present Bill seeks to enact the provisions of the said Ordinance.

(2) Notwithstanding such repeal, anything done or any action taken under the Niramoy Group of Institutions Acquisition Ordinance, 1982, shall be deemed to have been validly done or taken under this Act.

STATEMENT OF OBJECTS AND REASONS.

The Niramoy, a Society registered under the Societies Registration Act, 1860, having its registered office at 78/1, Rafi Ahmed Kidwai Road, Calcutta, had been running the following medical institutions and treatment centres:—

(i) Niramoy T.B. Sanatorium, Giridanga, district Birbhum (300-bedded T.B. Hospital),

(ii) Niramoy Polyclinic and Research Foundation, Gariahat Road, Calcutta-19,

(iii) Niramoy Chest Clinic, 70, Ganesh Ch. Avenue, Calcutta-13,

(iv) Niramoy Chest Clinic, 2, Ashutosh Mukherjee Road, Calcutta-20.

2. The above units had been functioning under the control and direction of the General Council of the Niramoy, with its own financial resources and the financial assistance of the Government sanctioned from time to time.

3. In April, 1980, the General Council of Niramoy passed a resolution requesting the State Government to take over Niramoy's Hospital at Giridanga, the Polyclinic at Calcutta and all the out-patients' clinics with all their assets and liabilities without any compensation. Simultaneously, they also passed another resolution requesting the State Government to appoint an Administrator to take charge of the above units of Niramoy.

4. The matter was considered by the State Government carefully and a Government Administrator was appointed to take charge of the Niramoy Group of Institutions with full financial and administrative powers with effect from the 20th May, 1980. Since then the Institutions have been functioning under the management and control of the Government Administrator.

5. The Niramoy Units, both at Giridanga, Birbhum and in Calcutta, are having high potential for developing them into centres of medical attendance and treatment covering a large number of ailing people of different areas of the State. The Niramoy Polyclinic, which is situated in a very important locality of South Calcutta, has the potentiality of being developed into a first class Indoor Hospital-cum-Polyclinic complex.

6. For better management, maintenance and extension of proper medical facilities to a larger number of people, it was decided to take over the Niramoy Group of Institutions with all their assets, movable and immovable, for being run as State Institutions. The Niramoy Group of Institutions Acquisition Ordinance, 1982 was promulgated accordingly on the 27th August, 1982. The Niramoy Group of Institutions Acquisition Bill, 1982 has been prepared to replace the said Ordinance.

Sanatorium at Giridanga is proposed to be run as a 300-bedded T.B. Hospital. The Niramoy Polyclinic at Calcutta will be developed into a Polyclinic-cum-Indoor Hospital with 70 indoor beds. The two Chest Clinics will be run as Chest Clinic-cum-Domiciliary Units in the State Government pattern. STATEMENT OF OBJECTS AND REASONS.

The Central Government had suggested that the West Bengal Criminal Law Amendment (Special Courts) Act, 1949, should be repealed and Special Courts should be set up under the Central Act, *viz.*, the Criminal Law Amendment Act, 1952, for speedy trial of cases of bribery and corruption. Though the 1949 West Bengal Act involve procedural delay, it was found that the substantive provisions of the West Bengal Act are more broad-based than those of the Central Act, *viz.*, the Criminal Law Amentment Act, 1952. It was, therefore, considered fit not to repeal the West Bengal Act but to amend it suitably, incorporating therein, in substance, the procedural provisions of the Central Act but retaining the broad-based character of the original State Act.

The Bill seeks to amend the West Bengal Criminal Law Amendment (Special Courts) Act, 1949, suitably on the lines of the Central Act to avoid procedural delay in trial of cases allotted to Special Courts.

FINANCIAL MEMORANDUM.

The proposed amendment, *viz.*, the West Bengal Criminal Law Amendment (Special Courts) Amending Bill, 1982, involves mainly procedural changes and accordingly no financial expenditure can be visualised at this stage. Funds, if necessary, will be provided after due consultation with the Finance Department. No definite estimate of such expenditure can be given at present.

No. 2851-L.—24th September, 1982. — The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 24 of 1982

THE INDIAN ELECTRICITY (WEST BENGAL AMENDMENT) BILL, 1982.

A

BILL

to amend the Indian Electricity Act, 1910, in its application to West Bengal.

WHEREAS it is expedient to amend the Indian Electricity Act, 1910, in its application to West Bengal, for the purpose and in the manner hereinafter appearing; 9 of 1910.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title.

1. This Act may be called the Indian Electricity (West Bengal Amendment) Act, 1982.

Application of the Act.

2. The Indian Electricity Act, 1910 (hereinafter referred to as the principal Act), shall, in its application to West Bengal, be amended in the manner hereinafter provided.

The Indian Electricity (West Bengal Amendment) Bill, 1982.

(Clause 3.)

Amendment of section 42 of Act 9 of 1910.

3. Section 42 of the principal Act shall be renumbered as sub-section (*1*) of that section and—

(*1*) in clause (*e*) of sub-section (*1*) as so renumbered, the words, figures and letter "section 22B or" shall be omitted;

(*2*) after sub-section (*1*) as so renumbered, the following sub-section shall be inserted:—

"(*2*) Whoever makes default in complying with any order issued to him under section 22B shall be punishable with imprisonment which may extend to six months, and, in the case of any subsequent default after first conviction, with imprisonment which may extend to one year.".

STATEMENT OF OBJECTS AND REASONS.

1. In the context of the existing gap between demand and supply of power in the State, State Government have issued under section 22B of the Indian Electricity Act, 1910, the West Bengal Electrical Energy (Maintenance of Supply) Order, 1977 for regulating the distribution, consumption and use of energy. The objective of regulation of distribution, consumption and use of energy could not, however, be achieved fully due to frequent violation of the Order, particularly, by the High Tension Industrial Consumers.

2. The West Bengal Electrical Energy (Maintenance of Supply) Order, 1977 itself does not provide for any penal measure in case of violation of the provisions of the said Order. The power to disconnect supply of electricity as provided by clause VI (1) 2nd proviso (b) of the Schedule to the Indian Electricity Act, 1910 and the penal measure as provided by section 42 of the Indian Electricity Act, 1910 have not been found sufficiently deterrent and adequate to compel compliance with the said Order for regulating the distribution, consumption and use of energy.

3. With a view to securing strict compliance with the regulatory measures as provided in the West Bengal Electrical Energy (Maintenance of Supply) Order, 1977 or any other order which may be issued in future under section 22B of the Indian Electricity Act, 1910, it is now proposed to amend the Indian Electricity Act, 1910, in its application to the State of West Bengal, so as to provide for substantive punishment in the form of imprisonment in case of violation of any of the provisions of the said Order.

THE WEST BENGAL COLLEGES (PAYMENT OF SALARIES) (AMENDMENT) BILL, 1982.

A

BILL

to amend the West Bengal Colleges (Payment of Salaries) Act, 1978.

WHEREAS it is expedient to amend the West Bengal Colleges (Payment of Salaries) Act, 1978, for the purposes and in the manner hereinafter appearing; West Ben. Act XI of 1978.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the West Bengal Colleges (Payment of Salaries) (Amendment) Act, 1982.

Amendment of section 4 of West Ben. Act XI of 1978. **2.** In sub-section (*5*) of section 4 of the West Bengal Colleges (Payment of Salaries) Act, 1978 (hereinafter referred to as the principal Act), for the words "seventy-five *per cent.* of the assumed income.", the words "such percentage of the assumed income as the State Government may, from time to time, determine." shall be substituted.

Amendment of section 5. **3.** In section 5 of the principal Act, for the words "seventy-five *per cent.* of the actual income of that month", the words "such percentage of the actual income of that month as the State Government may, from time to time, determine" shall be substituted.

The West Bengal Colleges (Payment of Salaries) (Amendment) Bill, 1982.

(Clauses 4, 5.)

Amendment of section 6.

4. In sub-section (*1*) of section 6 of the principal Act, for the words "seventy-five *per cent.* of the assumed income", the words "the percentage of the assumed income determined under sub-section (*5*) of section 4" shall be substituted.

Omission of section 7.

5. Section 7 of the principal Act shall be omitted and shall be deemed to have been so omitted with effect from the 1st day of February, 1982.

STATEMENT OF OBJECTS AND REASONS.

With a view to ensuring full and timely payment of salaries of teaching and non-teaching employees of non-Government colleges, the West Bengal Colleges (Payment of Salaries) Act, 1978 (West Bengal Act XI of 1978) was enforced with effect from the 3rd day of February, 1978. Under the provisions of the said Act the non-Government colleges coming within the purview of the said Act are required to deposit with the State Government 75 % of their actual income, the balance 25 % of such income being retained by them for meeting recurring expenditure on 'non-salary' items according to schedule of expenditure approved by the State Government.

2. The schedule of expenditure on 'non-salary' items, which was prescribed in 1965, became obsolete on account of increasing cost of chemicals, scientific equipment, stationery articles, printing, postage, electricity charge, etc. The schedule of expenditure has recently been revised by the State Government. Moreover, the State Government introduced free education scheme for students of classes XI and XII with effect from the 1st January, 1981. So, it is not possible for the colleges as aforesaid to meet the expenditure on 'non-salary' items with the present retainable fee income.

3. It has, therefore, been felt that the West Bengal Colleges (Payment of Salaries) Act, 1978 be so amended as to enable the State Government to determine from time to time the percentage of the actual income of the aforesaid non-Government colleges to be deposited with the State Government.

4. The Bill has been framed with the above objects in view.

CALCUTTA,
The 21st September, 1982.

S. GHOSH,
Member-in-charge.

FINANCIAL MEMORANDUM.

For determining from time to time the percentage of the income of the colleges to be deposited with the State Government it is not possible to indicate at this stage the amount of extra financial liability which may devolve upon the Government. However, the additional amount on this account will be accomodated within the budget provisions for Education.

NOTIFICATION

No. 2855-L.—24th September, 1982. — The Governor having been pleased to order, under rule 66 of the Rules of Procedure and Conduct of Business in the West Bengal Legislative Assembly, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information:—

Bill No. 26 of 1982

THE WEST BENGAL LAND HOLDING REVENUE (AMENDMENT) BILL, 1982.

A BILL

to amend the West Bengal Land Holding Revenue Act, 1979.

WHEREAS it is expedient to amend the West Bengal Land Holding Revenue Act, 1979, for the purposes and in the manner hereinafter appearing; West Ben. Act XLIV of 1979.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows:—

Short title. **1.** This Act may be called the West Bengal Land Holding Revenue (Amendment) Act, 1982.

Amendment of section 26 of West Ben. Act XLIV of 1979. **2.** To sub-section (*1*) of section 26 of the West Bengal Land Holding Revenue Act, 1979 (hereinafter referred to as the principal Act), the following provisos shall be added and shall be deemed always to have been added:—

"Provided that notwithstanding the provisions of sub-section (*1*), the liability of a *raiyat* to pay revenue for his holding and collection of such revenue in accordance with the provisions of the West Bengal Land Reforms Act, 1955 shall continue till the revenue in respect of such holding West Ben. Act X of 1956.

The West Bengal Land Holding Revenue (Amendment) Bill, 1982.

(*Clause 3.*)

of a *raiyat* is assessed, determined and levied in accordance with the provisions of this Act:

Provided further that such payment of revenue made by a *raiyat* shall, in the manner prescribed, be adjusted towards the revenue payable by such *raiyat* in respect of his land holding on being assessed and determined in accordance with the provisions of this Act or be refunded to the *raiyat* if after assessment and determination of the revenue under the provisions of this Act, it is found that the *raiyat* is not liable to pay any revenue.".

Amendment of section 27.

3. To sub-section (*1*) of section 27 of the principal Act, the following provisos shall be added and shall be deemed always to have been added:—

"Provided that notwithstanding the cessation of the provisions of the West Bengal Non-Agricultural Tenancy Act, 1949 in any district, the liability to pay rent for non-agricultural land in accordance with the provisions of the West Bengal Non-Agricultural Tenancy Act, 1949, shall continue till the revenue in respect of such land holding is assessed, determined and levied under the provisions of this Act: West Ben. Act XX of 1949.

Provided further that such payment of rent made for non-agricultural land in any district, shall, in the manner prescribed, be adjusted towards the revenue payable in respect of such land holding on being assessed and determined in accordance with the provisions of this Act or be refunded if after assessment and determination of the revenue under the provisions of this Act, it is found that no revenue is payable on such land holding.".

STATEMENT OF OBJECTS AND REASONS.

The West Bengal Land Holding Revenue Act, 1979 came into force with effect from the 1st Baishakh, 1388 B.S. (14th April, 1981).

The raiyats and the non-agricultural tenants are not legally bound to pay any revenue now until assessment is made under the West Bengal Land Holding Revenue Act, 1979

Assessment of revenue under the said Act will take some time. Revenue under the provisions of the West Bengal Land Reforms Act, 1955 and the West Bengal Non-Agricultural Tenancy Act, 1949 cannot also be realised now. As a result, huge amount of revenue will be in arrear when the assessment under the 1979 Act will be completed. It is, therefore, considered necessary to make provisions in the West Bengal Land Holding Revenue Act, 1979 enabling the Government to realise revenue and rent as per provisions contained in the West Bengal Land Reforms Act, 1955 and the West Bengal Non-Agricultural Tenancy Act, 1949 subject to adjustment with the amount to be finally collected under the West Bengal Land Holding Revenue Act, 1979 after assessment. Refund will be made where necessary.

The Bill has been framed with the above object in view.

For the sake of uniformity in relation to the other universities of West Bengal and specially for the purpose of introducing uniform procedure in respect of preparation of the budget of the university and the State Governments approval thereto, some more amendments to the existing Act are necessary.

The amendments proposed in the Bill involve no major departure either from the accepted principle of representation in different bodies of the university or from the provisions that are existing in the Acts relating to the other universities of West Bengal.

STATEMENT OF OBJECTS AND REASONS.

There has been a continuous attempt on the part of the Government to up-date the Bengal Municipal Act, 1932 (Ben. Act XV of 1932) in order to bring it in tune with the requirement of time. This has led to series of amendments to the said Act in the light of practical experiences both by the Government and the municipalities in implementing the Act. Even after the comprehensive amendments to the said Act in 1980, some loopholes have since been detected which need be plugged with suitable amending provisions. Some of these loopholes have also been laid bare in various court cases of recent time. Certain consequential changes have also been felt necessary in the wake of total change in the precedure of taxation to be adopted by the municipalities.

The Bill is intended to adapt the existing provisions of the Bengal Municipal Act, 1932 and also to introduce new ones so that the legal framework of municipal administration may sustain the changed social context.

WHEREAS it is expedient to amend the West Bengal Estates Acquisition Act, 1953, for the purpose and in the manner hereinafter appearing; West Ben. Act I of 1954.

It is hereby enacted in the Thirty-third Year of the Republic of India, by the Legislature of West Bengal, as follows:—
